**PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37
C.F.R. § 1.181(a)**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

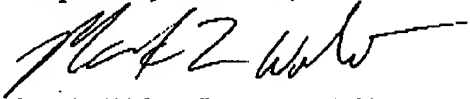

On October 4, 2001, Applicants received a Notice of Abandonment in the subject application. Apparently, Applicants received the Notice of Abandonment for failure to respond to the Official Action mailed March 5, 2001. However, Applicants did, in fact, timely respond to the Official Action by depositing a RESPONSE and AMENDMENT A with the U.S. Postal Service as first class mail in an envelope addressed to: Box FEE AMENDMENT, on June 5, 2001 (the last day for responding without an extension of time). A copy of the Response is enclosed as Attachment A. Additional claims were added with this Response, and Applicants included a fee calculation sheet (form PTO-1083) with the Response. The form PTO-1083 is included as Attachment B. Finally, Applicants included a check in the amount of \$63.00, for the additional claims, and, notably, this check was cashed by the U.S. Patent and Trademark Office. A copy of the voided check is provided as Attachment C. In light of the void check, it is apparent that Applicants did timely respond to the Office Action of March 5, 2001, and, therefore, Applicants respectfully request that the holding of abandonment be withdrawn and that the enclosed RESPONSE and AMENDMENT A be forwarded to the proper authorities for further action.
